Summary:

The Landscape Construction Foreman / Supervisor is responsible for overseeing all on-site aspects of a landscape construction project.

Core Capabilities:

- Client and quality focus.
- Effective communication skills (both verbal and written.)
- Teamwork.
- Excellent problem-solving abilities.
- Responsibility and dependability.
- Ethics and integrity.

Job Duties:

- Manage the execution of construction projects, plan labour requirements, and manage equipment, material deliveries and timing to ensure the completion of job(s) within project deadlines.
- Manage the safety, quality and productivity of work at jobsites, as well as at the shop and yard.
- Assist in the preparation of job sites prior to the beginning of a project.
- Supervise the work of crew members to ensure proper safety, quality and productivity.
- Delegate job tasks to appropriate crew members to assist in the completion of landscape construction projects.

- Participate in recruitment activities by conducting secondary interviews with potential job candidates.
- Conduct on-site orientations with new employees and employees in new positions, which cover all company health and safety policies and procedures.
- Train crew members on proper and safe working methods.
- Conduct daily inspections and maintenance on vehicles, tools and equipment.
- Operate various tools and equipment, including heavy equipment, chainsaws, jackhammers, laser levels, measurement equipment, shovels, hammers, drills, etc.
- Assist in the construction of walkways, fences, decks, posts, etc.
- Perform preventative maintenance on tools and equipment by conducting inspections, lubricating and cleaning on daily basis.
- Read and interpret blueprints, structure designs, and specifications to delegate and/or complete work activities.
- Meet with subcontractors and supervise quality, efficiency and deadlines.
- Complete and submit all required paperwork on a daily basis, including daily site meeting logs, crew daily forms, equipment daily inspection forms, attendance tracking, time and materials billing summaries, requests for time off, etc.
- Comply with all company policies and regulations.
- Maintain and enforce standards of cleanliness and organization in assigned trucks, trailers, equipment, job sites, and shop / yard areas.
- Ensure that all work activities are carried out in a safe and efficient manner, and that all crew members are in compliance with government and company PPE standards.
- Enforce and work in accordance with all local health and safety laws and regulations at the shop / yard and on job sites.
- Communicate with customers in a polite and courteous manner.

Requirements:

- High School Diploma, GED or equivalent.
- Minimum of 5 years' experience in the landscape / grounds maintenance industry.
- Capable of operating required equipment and tools in a safe and responsible manner.
- Effective communication skills (both verbal and written) - must be able to carry out verbal instructions, read labels and signs, complete daily reports to office and / or customers.
- Ability to work under pressure and tight deadlines.
- Time management skills.
- Ability to read and interpret blueprints and specifications.
- Must possess a valid driver's license.
- Knowledge of specific materials, methods, tools, and equipment required to complete various landscape / construction practices.
- Ability to work both independently with little supervision, and as part of a team.
- Speak, read, and write in English.
- Carry and use a smart phone or data-enabled device for communication and reporting.

Work Conditions:

- Ability to work with hand tools, power tools, small engine equipment, heavy equipment, and materials.
- Ability to lift a minimum of 50 lbs. repeatedly through an entire work shift.
- Ability to work in fast-paced environment.
- Excellent stamina is required.
- Work near heavy equipment and other vehicles on a regular basis.
- Work outdoors in various conditions including heat and humidity, rain, dust, noise and cold.
- Flexible working hours including occasional weekend work.

Does this sound like you?

- Friendly, knowledgeable, creative, professional, community minded, and reliable.
- Understand that relationships are the core of developing trust and loyalty with customers.
- Can multitask and manage time despite a busy schedule.
- Are adaptable and understand that “team” means helping others - whether your job or not.
- Love landscaping, innovating the outdoors, and evolving horticultural design.
