Join our Team!

Rossmere Custom Landscapes Inc. provides Winnipeg's best landscapes - design, build, and maintenance for both residential and commercial clients. Now in its twentieth year, Rossmere prides itself on delivering sustainable, innovative, unique and organic landscape solutions to customers, through friendly service and uncompromising designs. To help lead its growth, Rossmere is seeking energetic and driven landscape professionals in a variety of positions to build the 2026 team.

At Rossmere we believe in taking care of our team! We offer compensation packages that are above industry standard.

Summary:

The Landscape Technician is responsible for a variety of job tasks (including physical labor) in order to assist with the completion of landscape construction and maintenance projects. Job responsibilities also include various hand tools, power tools, and equipment to carry out specified job duties.

Core Capabilities:

- Client and quality focus
- Effective communication skills (both verbal and written)
- Team work
- Excellent problem solving abilities
- Responsibility and dependability
- Ethics and integrity

Job Duties:

- Responsible for hardscape and softscape landscape construction.
- Read and interpret blueprints, drawings, and specifications to assist with landscape constructions.
- Construct rock gardens, decks, fieldstone paths, stone garden walls, fences, ornamental ponds, fountains, and waterfalls, retaining walls and interlocking brick.
- Plant trees, shrubs, flowers and bulbs.
- Weed prune, and trim trees and plants.
- Apply fertilizers, cut grass, and water lawns and gardens.
- Cart and spread topsoils and other required materials.
- Lay sod or seed, grading soil, and tree staking.
- Utilize hand tools, power tools, and other necessary equipment to complete job tasks.
- Perform lawn maintenance using lawn movers, tractor mowers, trimmers and weed eaters.
- Move and transport materials using shovels, wheelbarrows, carts, dollies and manual lifting.
- Perform other manual duties to clean and maintain landscaped environment, shop and equipment.
- Conduct daily safety inspections of tools and equipment.
- Follow directions from foreman.

- Complete daily paperwork tracking job time and material costs.
- Wear appropriate personal protective equipment at all times.
- Comply with all company policies and regulations.
- Work in accordance with all local health and safety laws and regulations.
- Communicate with customers in polite and courteous manner.

Requirements:

- Completion of college, vocational, or technical training.
- Ability to survey and assess designated sites.
- Plant knowledge and identification, and experience in plant care.
- Competent in the use of power tools.
- Must possess a valid driver's license.
- Ability to work both independently with little supervision, and as part of a team.
- Ability to walk, stand, crouch for long periods of time and carry out strenuous physical tasks.
- Speak, read, and write in English.
- Carry and use a smart phone or data-enabled device for communication and reporting.
- Physically fit with strong stamina.
- Basic measurements and calculation skills.
- Ability to follow safe working procedures.
- Excellent observation skills and a strong attention for details.
- Good analytical and problem-solving skills.

Work Conditions:

- Ability to work with hand tools, power tools, small engine equipment, heavy equipment, and materials.
- Ability to lift a minimum of 50 lbs. repeatedly through an entire work shift.
- Ability to work in fast-paced environment.
- Excellent stamina is required.
- Work near heavy equipment and other vehicles on a regular basis.
- Work outdoors in various conditions including heat and humidity, rain, dust, noise and cold.
- Flexible working hours including occasional weekend work.

Does this sound like you?

- Friendly, knowledgeable, creative, professional, community minded, and reliable.
- Understand that relationships are the core of developing trust and loyalty with customers.
- Can multitask and manage time despite a busy schedule.
- Are adaptable and understand that "team" means helping others - whether your job or not.
- Love landscaping, innovating the outdoors, and evolving horticultural design!
